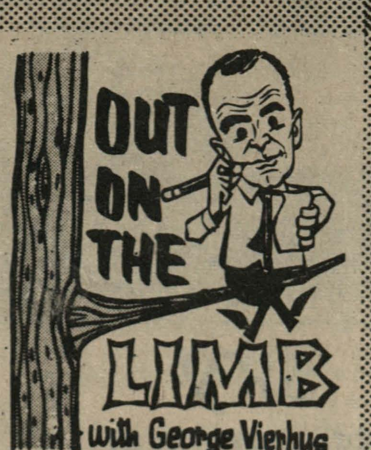
Vol. 79 No. 17 Wednesday, April 28, 1971 10¢

378-9136 35 Dillon Avenue, Campbell, California



ONE OF THE MOST heated school trustee elections in the history of the Campbell Union (elementary) School District is now history.

It is difficult to present an analysis of the results without being accused of reading something into them that doesn't belong.

We congratulate the winners, Dr. Robert L. King and Dr. Richard MacQuiddy. We sincerely hope that some of the problems that have developed in the district during the past months may be resolved when the "new" board takes office on July 1.

But all of us recognize that it will take a great deal of understanding on the part of all involved, if any advancement is to be made.

You see, basically, because of the intricacies in the balloting the status quo of the board remains unchanged.

Unfortunately, there was no clear cut decision made on election day.

-0-

ONE MIGHT SAY THAT the election on April 20 was just an exercise in futility to a certain degree.

No one can draw any firm conclusion from the results as far as a "mandate" of the people is concerned except in the election of Bob King.

Bob topped the field with a sizeable margin. He had 420 votes more than MacQuiddy, an incumbent, who ended in second place in the five-man field.

MacQuiddy topped Jim Gilliland, the other incumbent by 162 votes, Gilliland was ahead of Lemmerman by 92 votes.

In fifth place was Dr. Ralph Anderson who picked up 1950 votes or 517 behind Lemmerman.

MacQuiddy and Lemmerman ran as a "team" as did Gilliland and King.

But "team" votes don't count in the voting booth.

The MacQuiddy-Lemmerman "team" garnered a total of 5188 votes while the Gilliland-King duo picked up 5708 for a lead of 520 votes.

And then there was Dr. Ralph Anderson, an anti-MacQuiddy candidate, who collected 1950 votes.

What we are trying to say, of course, is that the scoreboard shows that King and MacQuiddy were the winners.

And again, like in a ball game, the board doesn't show how the runs were scored.

And, like a ball game, it's the final count that counts.

-0-

ALTHOUGH THE TURNout of voters in the Campbell district was higher than in any of the school districts in the area, it was below expectations and it really was not much to brag about.

In the Campbell district, 25% of the registered voters went to the polls, or 6601 out of a total of 26,086.

The voting ranged from a high of 40% on Devon Ave. in the Quito area to a low of 14% in Sherman Oaks.

We realize that nothing will be gained by this "rehashing" of the results, although we think it is shameful that 75% of the voters stayed away from the polls in such an important election.

One final point and we leave this Monday morning quarterbacking.

A breakdown of the precinct voting showed that King was top man in 15 of the 22 precincts; MacQuiddy was the leader in six and Gilliland in one.

We concede that all this stuff about the tabulations etc., doesn't really prove anything, except that King and MacQuiddy were elected as trustees in the voting.

That's what the scoreboard shows.

And that's the way it is.

-0-

IF FOUR BRAND NEW

(Continued on Page 2)

CAMPBELL'S NEW FIRE ENGINE—Fire Chief George Maxwell steps out of the city's brand-new $50,300 triple-combustion pumper which was delivered to the city this past week. The fire engine was manufactured to the city's specifications in Wisconsin.

Chief Maxwell picked it up at the factory and drove it to Campbell, a distance of 2500 miles. Campbell's fire engine made it all the way without a hitch, but three others that were picked up at the same time for Palo Alto fell by the wayside during the cross-country trek.

DECREASE SLIGHT IN CAMPBELL

Taxable sales drop in 1970

Although business in Campbell during the last quarter of 1970 was slightly down from the same period in 1969, a decrease of $31,000, the picture here was quite bright compared to the overall situation throughout the state.

According to the report of the State Board of Equalization, business in California in the last quarter of 1970 was down more than a quarter of billion dollars, as measured by taxable retail sales.

Taxable retail sales in Campbell, the basis for sales tax income, totalled $15,320,000 for the last three months in 1970. For the same period in 1969, total sales were $15,351,000.

SALES DECREASE

With few exceptions, all the cities in Santa Clara County showed a decrease in business for the fourth quarter. Sunnyvale, for example, was down $5,330,000; Palo Alto, $5,088,000; San Jose, $480,000; Santa Clara, $2,875,000 and Mt. View, $2,014,000.

Campbell's neighbor, Los Gatos, really suffered with a decrease in taxable sales of $2,237,000 for the fourth quarter in 1970 as compared to that of the previous year.

Campbell topped Los Gatos in total sales for the fourth period by $410,000. Los Gatos had $13,941,000 in sales in the fourth quarter in 1970 compared to Campbell's $15,320,000. In the same period in the previous year, Los Gatos had outdistanced Campbell by $827,000 with total sales of $16,178,000 compared to Campbell's $15,351,000.

CUPERTINO GAINS

But to Cupertino must go the honors for being the brightest spot in the county and, probably in the state, during that fourth quarter in 1970 as far as business was concerned.

Cupertino completely reversed the statewide trend.

The taxable sales in Cupertino increased by an incredible $6,785,000 in the fourth quarter in 1970 from that of 1969. The taxable sales in 1970 for the last months came to $15,757,000 compared to $8,972,000 for the same period in the previous year.

Almost all of the increase in Cupertino came in the classification of "general merchandise stores". In 1969, that category accounted for a paltry $120,000 while in 1970 it jumped to the fantastic figure of $7,006,000!

Campbell, incidentally, showed a big increase in the same category, "general merchandise", although nothing like that of Cupertino.

During the fourth quarter in 1970 "general merchandise" here accounted for $897,000, an increase of $666,000 over the previous year.

AUTO SALES

Conversely, almost the entire decrease of $2,237,000 in sales in Los Gatos for the last quarter was attributable to the slump in auto sales in that city. A situation that could not exist in Campbell, as there are no auto agencies here.

In Los Gatos, auto sales for the final period of 1970 accounted for $5,458,000, a hefty portion of the total sales of $13,941,000.

But in the same three months in the previous years, "auto sales" came to $7,618,000, or a drop of $2,160,000 this year.

Surprisingly in Campbell, almost all the categories showed an increase over the previous years. The exceptions were the two "big ones", i.e., "home furnishings" and "building materials".

"BIG ONES" DROP

"Home furnishings" dropped $99,000 in total sales ($3,109,000 compared to $3,208,000) and "building materials" showed a decrease of $993,000 in total sales ($2,060,000 compared to $3,053,000).

Incidentally, in addition to Cupertino, four other cities in the county showed an increase in business during the last quarter of 1970 as compared to the same period in 1969.

Milpitas gained $447,000 in sales ($6,407,000 to $5,960,000) and Saratoga showed an increase of $86,000 from $3,607,000 to $3,693,000. Monte Sereno with total sales of $30,000 in the fourth period in 1970 was up $9,000 from the previous year while Los Altos Hills had sales of $237,000 in 1970 compared to $225,000 in 1969.

AGAINST TWO TRUSTEES

Recall movement fails

Leaders in the recall movement to unseat Ralph Steinberg and Mrs. Eleanor Graham-Armstrong, trustees of the Campbell Union (elementary) School District, this week reported that they were discontinuing their efforts to obtain the necessary signatures on the petitions by the deadline.

George Baker, a member of the recall group, filed the preliminary petitions with the county superintendent's office on April 20 but said that it appeared to be a physical impossibility for the volunteer workers to fill the quota for signatures required by law before the time extension has expired.

Baker said he was confident that there were more than enough registered voters willing to sign the recall petitions but the lack of the manpower needed for the time-consuming job of petition-carriers was the stumbling block.

The recall leaders all voiced disappointment over the situation but emphasized there appeared to be no other alternative but to call off the drive.

"Chiller" goes into city hall

Employees of the city will be more comfortable in the new city hall as a result of City Council approval on Monday night of the installation of a 90-ton "chiller" unit for $22,840 and for the completion of the employees lounge for $9500.

Both actions were taken via the change order route. They will be paid for out of anticipated surplus revenues in the city hall budget.

Both items had been deleted from the original plans as economy measures but were high on the priority list, if funds became available.

Wally Byron, city building official, pointed out that the original "chiller" was only a 65-ton capacity and would not have been able to service the entire building. An additional unit would have been necessary, if the engineering wing was to be cooled. The engineering unit will not be completed under the present building contract.

Byron explained that it would be a savings to the city to install the larger unit and added that the contractors had cooperated with him on the matter.

Byron pointed out that cost for the employees lounge was estimated at a maximum figure of $9500 but had not yet been firmed up. The Council authorized the $9500 maximum with the understanding to continue to negotiate for less.

The employees lounge in the new city hall is located on the first floor directly under

(Continued on Page 9)

"Ken's" to donate dinner proceeds to Morgan Fund

All proceeds from the dinners served by Ken's House of Pancakes, 100 W. Hamilton Ave., between 2 p.m. and 10 p.m. on Thursday, May 6, will be contributed to the "John D. Morgan Fund", according to Betty Raynor, of the popular eating spot in Campbell.

Betty and Bob Holiday, who represent the B & B Jolly Chef Restaurant Management, Inc., the new owners of Ken's in Campbell, said that the dinner prices on that day will start at $1.25 to allow as many as possible to participate in the event which will aid the fund that has been set up to help defray medical expenses for Police Chief John Morgan.

Chief Morgan was stricken on Feb. 13 and has been paralyzed since that time. He is now in Campbell Community Hospital and requires around-the-clock nursing services.

Miss Raynor said that many of the more than 40 employees of the restaurant, who will not be on that shift, have volunteered their services to aid the regular staff in serving.

She also said that several of the suppliers of the restaurant have also volunteered to assist the regular crew during the rush period.

ANNUAL GAVEL EXCHANGE—On Monday night Vice-Mayor Ralph Doetsch, Sr., (right) was named mayor for the next year succeeding Dean Chamberlin, who served in that capacity the past year. Under Council policy, the office of mayor is rotated on an annual basis. Councilman Bill Podgorsek was elected vice-mayor at the same meeting. Doetsch previously served as mayor in 1966-67.

City to terminate county radio contract but delays own system

Campbell City Council on Monday night directed City Manager Bob Stephens to notify Santa Clara County authorities of this city's intent to terminate the existing contract on June 30, 1971, for communcation services.

However, the Council stopped short of taking action establishing its own communication system as recommended by staff until the charges for a new contract had been confirmed.

Under the terms of the present contract, notification of termination must be presented 60 days prior to the end of the contract. City Attorney Bob Dempster recommended that notice of intent be submitted to avoid any complications that might develop over the extension of the present contract.

Dempster pointed out that should the City not decide to operate its own system, a new contract could always be negotiated with the county.

A meeting of concerned subscribers to the county service is set for Thursday when the situation is expected to be clarified.

Robert Sorensen, director of general services, of which county communications is a part, told the Council on Monday that it was possible that the suggested rates for next year, which are more than double this year's charges, could be modified.

However, he emphasized that the new rate schedule was based on a cost survey under the working capital fund system and that, although the increase is sizeable, it is factual. He added that the following year the rates would be doubled again.

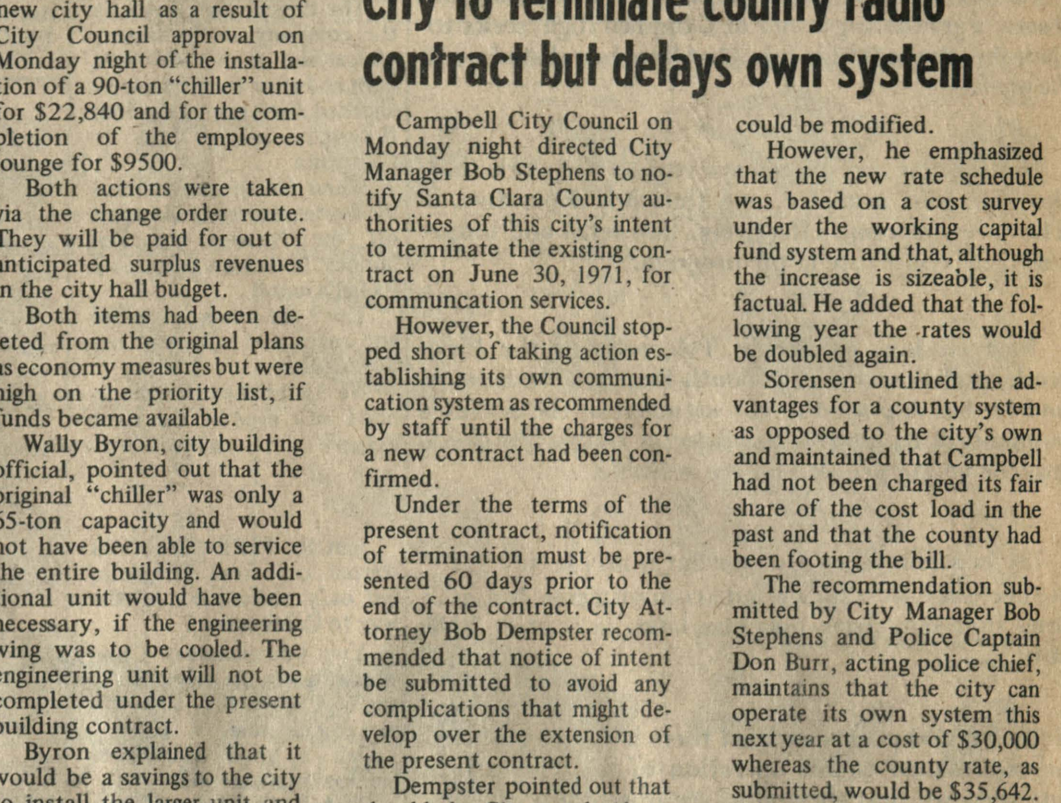
Sorensen outlined the advantages for a county system as opposed to the city's own and maintained that Campbell had not been charged its fair share of the cost load in the past and that the county had been footing the bill.

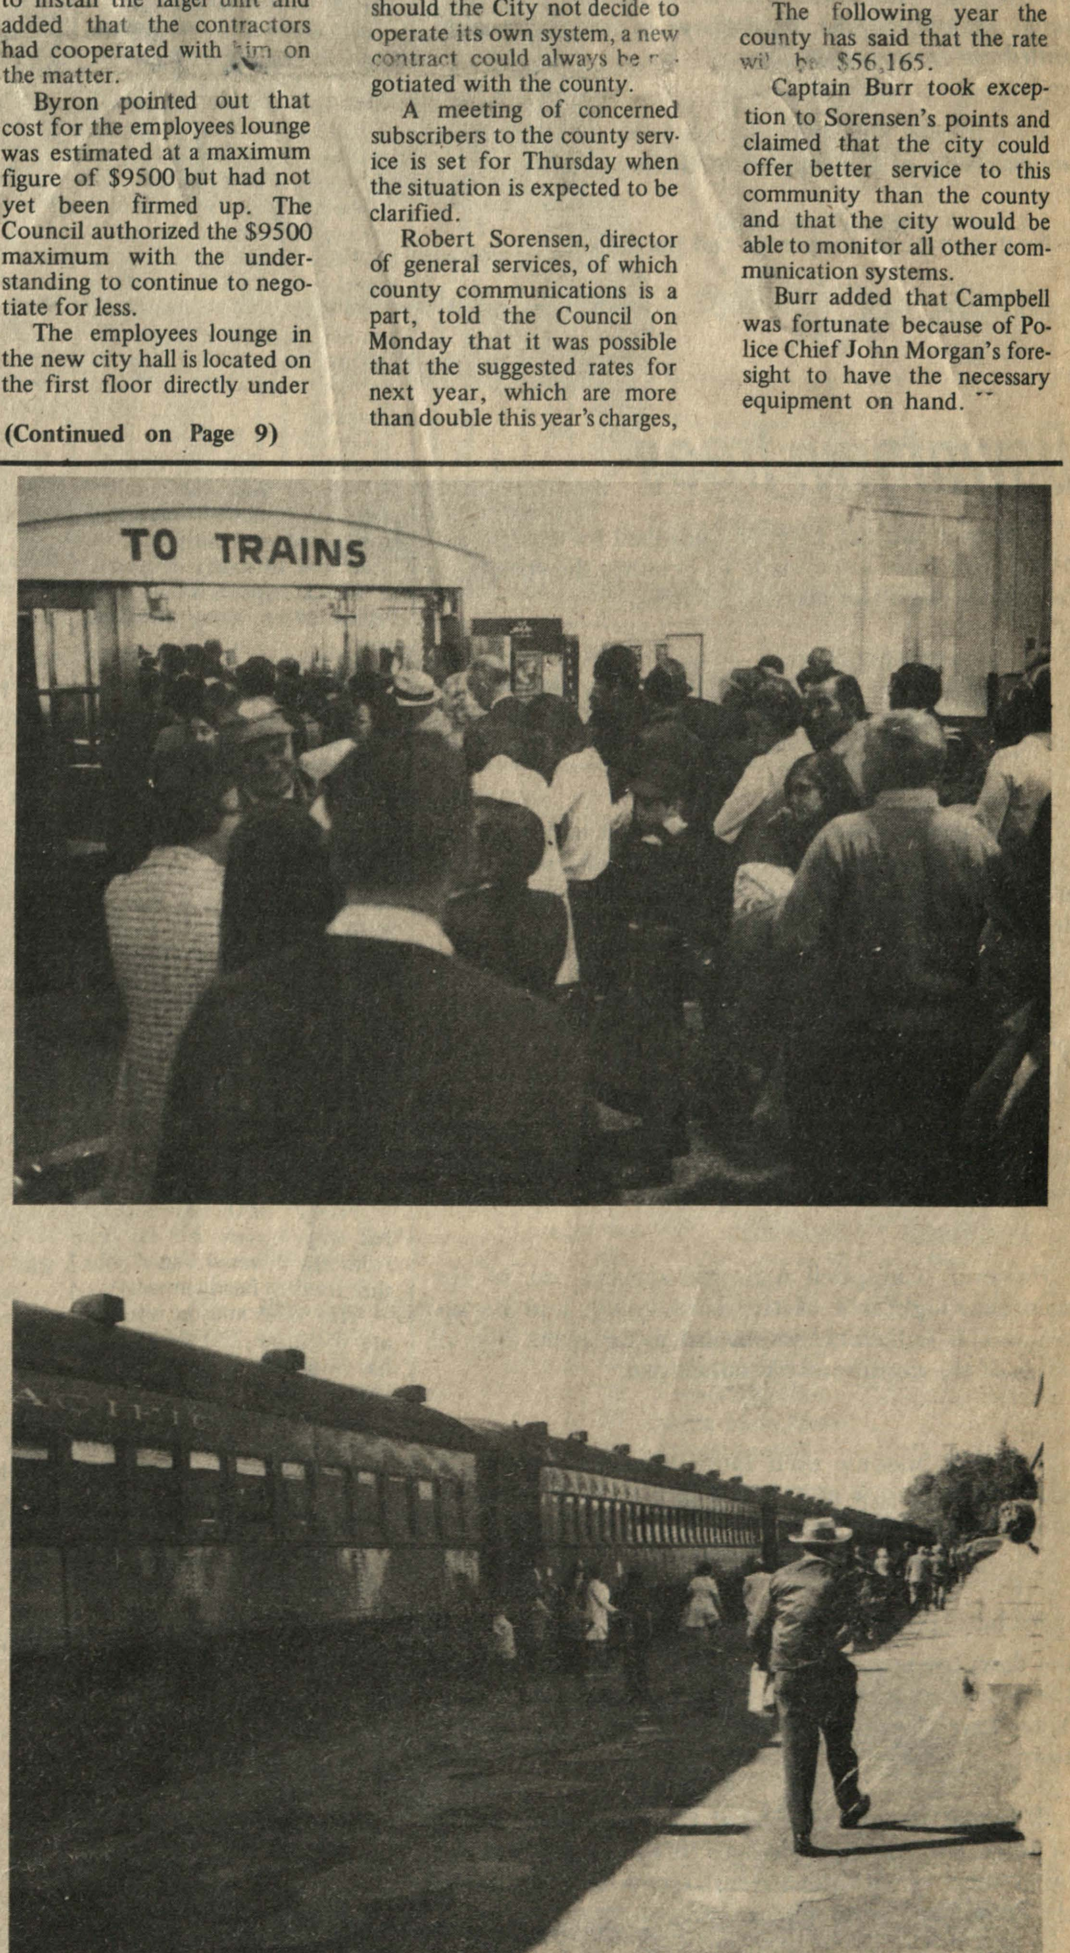
The recommendation submitted by City Manager Bob Stephens and Police Captain Don Burr, acting police chief, maintains that the city can operate its own system this next year at a cost of $30,000 whereas the county rate, as submitted, would be $35,642.

The following year the county has said that the rate will be $56,165.

Captain Burr took exception to Sorensen's points and claimed that the city could offer better service to this community than the county and that the city would be able to monitor all other communication systems.

Burr added that Campbell was fortunate because of Police Chief John Morgan's foresight to have the necessary equipment on hand.





DOWN BY THE STATION—It was early Sunday morning when the crowd gathered at the San Jose Southern Pacific Station to await the train which would take them to Monterey on a "Sentimental Journey" sponsored by the Campbell Rotary Club for the benefit of the John D. Morgan Fund. The highly successful trip which was taken by approximately 600 adults, 325 children and a number of toddlers, raised more than $2500 for the Morgan Fund. (More details on inside.)

Editorial

Say YES

One of the most worthwhile projects undertaken by the Campbell Chamber of Commerce each year is the sponsorship of the Youth Employment Service (YES).

This is the third year that YES has been in operation and we know that the service will again prove its value to the community.

The record made by YES during the past two years is an enviable one and we urge those members of the business community who have not participated in the past to do so this year.

We recognize that there is an unemployment problem throughout the area, and that finding jobs for the youngsters this summer may be more difficult than it has been in the past.

Therefore, there is more of a need for active participation by the business firms this year than in previous years.

Basically the Youth Employment Service acts as a clearing house. Young people seeking jobs register at the headquarters in the Chamber of Commerce headquarters at 100 W. Rincon.

The service now under the direction of Miss Jean Moore, a graduating senior at Campbell High, seeks to place the applicants in jobs that have been listed with the service.

More young people always register for work than there are jobs available, and thus it is imperative, if YES is to function effectively, that retail and industrial firms cooperate in the program.

Nick Roden, of Pacific Telephone, is the hardworking chairman of the Youth Employment Service, and he has appealed to the members of the business community to contact the director and list the openings for young people that are available.

The committee recognizes that it may be too early in some cases to make definite commitments, but asks firms that may have openings later, to contact YES now.

Roden also points out that there is considerable expense attached to the operation of the YES office, and suggests that those who are unable to place any young people in jobs, but believe in the program, to contribute financially.

We reiterate that the program is an excellent one, and deserving of the support of the community.

We urge you to cooperate and participate.

Say, YES.

Downtown trees

We commend the City of Campbell for the recent efforts that have been made to beautify the streets of the city through the planting of trees.

Especially are we impressed by the planting of flowering plums on both sides of Campbell Ave., throughout what is known as "downtown" Campbell.

Planting the trees in that area was a major undertaking, for it meant the removal of chunks of cement in the sidewalk area and city personnel spent considerable time on the project.

But we think it was well worth the time and money spent.

We are well aware that businesswise, the so-called "downtown" section of Campbell is not in the same league with other retail centers within the city limits.

However, Campbell Ave. still remains one of the main thoroughfares of the community, and its appearance is extremely important as far as the overall image of the community is concerned.

This will become even more important when the new city hall, now in its last stages of construction, is completed.

We have pointed out on numerous occasions that the downtown area will be affected dramatically by the new civic center. "The Towers" and "The PruneYard" have already made an impact on that section of town.

It seems obvious to us that the downtown section of town will undergo changes in the future that will be in keeping with the attractive new civic center and the PruneYard development.

Perhaps many will consider that the planting of trees along Campbell Ave. in the downtown section was a minor project. That may be true.

But, we prefer to think, however, that the trees are merely casting shadows on greater things to come.

MORE ABOUT OUT ON THE LIMB

with George Vierhus

(Continued from Page 1)

fire engines pulled up in front of one's house at the same time, and there was no fire around, one can imagine how envious the other kids in the block would be of your kids.

That's what happened in Des Moines, Iowa, last week at the home of Mrs. Jan Jensen, a former Campbell resident who was employed as secretary to Fire Chief George Maxwell in 1964-65.

Jan and her husband about four years ago moved back to Iowa with their two children.

Last week Chief Maxwell, along with two members of the Palo Alto fire department and a representative of Seagraves Equipment Co., of Clintonville, Wisc. began a 2500-mile trek from Wisconsin to California piloting four fire engines.

One of the triple-combustion pumpers was Campbell's new rig. The other three were for Palo Alto.

The drivers were flown by the company to the factory where the trucks had been built and after the trucks were checked, they started the four fire-engine convoy back to California.

When George learned that his former secretary lived just off the freeway near Des Moines, he led his convoy up to Jan's house.

There the pilots had coffee and cakes and were on their way again.

We doubt if that neighborhood will ever be the same again.

-0-

FOUR FIRE ENGINES started out from Wisconsin, but only one made it all the way to California.

Yup, you guessed it. Chief Maxwell was the only one riding high when they arrived in the golden state.

It's a good thing those pumper seats are wide.

Wide enough to seat four.

All three of the trucks broke down from the same ailment, transmission trouble, which fact, obviously, has upset and embarrassed the manufacturer considerably, (even sabotage has been considered).

Maxwell thinks the Campbell wagon made it because it had been assembled before the others.

Be that as it may, one truck was left in Omaha, Nebraska; one in Rock Springs, Wyoming, and the third in Wells, Nevada.

Campbell's truck was purring like a kitten when it arrived at the distributor's plant in Berkeley, after the five-day cross-country trek.

It was officially delivered to the Campbell station on Friday after being checked over.

-0-

SOMEWHAT RED-FACED Chief Maxwell recalls that, in a kidding way before the convoy was under way, he had bragged to his three co-pilots that Campbell's pumper would make it all the way, but he wasn't sure the Palo Alto wagons could stand up under it.

He said he wished he had kept his big mouth shut.

Little did he realize how prophetic his kidding would turn out.

-0-

THAT MODERN DAY red wagon train is a far cry from the covered wagon jobs that used to head out west.

The miles and the weather are the same, but the picture has radically changed otherwise.

Chief Maxwell reports, for example, no hostile Indians were encountered.

We imagine also the dollar value of the four red wagons was considerably more than the covered wagon jobs of the 49ers.

Campbell's pumper cost $50,300.

If you multiply that by four (the three from Palo Alto), that means that the red wagon train was worth something over $200,000.

That's a lot of hay.

Or wheels.

-0-

AT THE THIRD ANNUAL kickoff luncheon for YES (Youth Employment Service) sponsored by the Chamber of Commerce, John Laws, the New York Life main wheel for this area headquartered in The Towers, was master-of-ceremonies.

The "YES" committee is headed by Nick Roden. Miss Jean Moore, a poised and personable, Campbell High graduating senior, is the office director.

This service by the CofC aided by the service clubs, tries to place young people in jobs for the summer. It is a worthwhile civic undertaking and one that is deserving of the support of the business people.

Unfortunately there are always more applicants than jobs available.

-0-

SPEAKER AT THE luncheon was Dan Pastorini, the famed Santa Clara University quarterback who was the third pro draft choice this year and will play for Houston.

He handles the ball well also as a speaker.

It was especially apropos, we thought, for Laws to introduce Pastorini. You see, John has had quite a reputation as a football player himself.

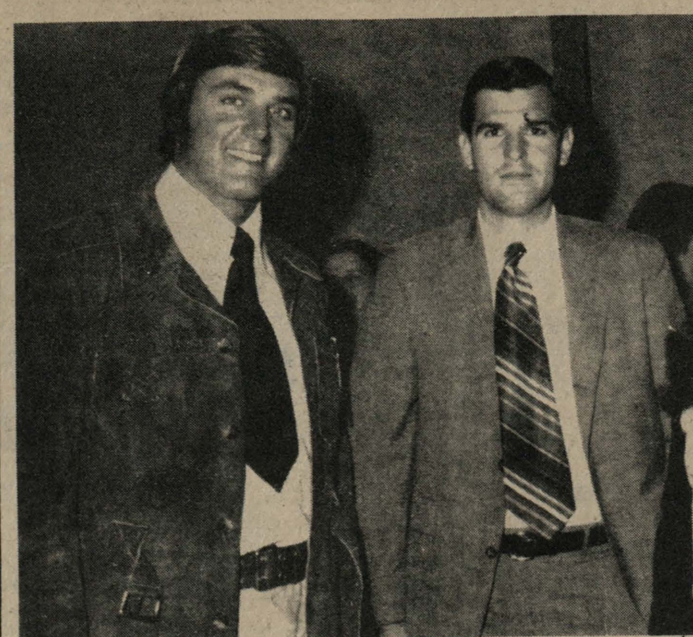
Of course, as Laws' strong British accent suggests, it is the ancient British game of Rugby, more or less the forerunner of modern American football, in which John made his mark.

So we imagine he got a big kick out of the situation.

By the way, Laws introduced the Rev. Ben Gould, as "Campbell's flying nun" and we were introduced as "the Herb Caen of Campbell".

We don't know how Caen feels about it, but that's one of the nicest things that has been said about us.

For quite a spell, that is.



KICK-OFF YES PROGRAM-- Dan Pastorini, famed Santa Clara University quarterback, (left), Nick Roden, Youth Employment Service committee chairman, and Jean Moore, YES director, took part in the annual kick-off luncheon last week. Pastorini was the luncheon speaker.

More city bonds to go on sale

City of Campbell will take action to sell $720,000 in civic improvement bonds as soon as possible, the City Council ruled on Monday night.

Of the total amount (all that remain of the city's unsold bonds from the two bond issues voted by the citizens in 1967 and 1969), $500,000 is allocated for street work and $220,000 for park improvement.

The Council on Monday awarded the contract for putting a slurry-seal on specified streets in town to Bay Slurry of Redwood City for $18,899.27.

FLEA MARKET

St. Lucy's Youth Council is sponsoring a flea market on the parish grounds Saturday and Sunday, May 8 and 9. The Outreach Committee is looking for donations of items. Call 243-9899 to volunteer.

We've streamlined your statement. We've cut out the clutter and made other helpful innovations.

So now you can balance your checkbook quickly and easily. We call it the Timesaver Statement.

1. We're listing the checks on your statement in the order in which you wrote them.

2. You can tell at a glance which checks haven't come in yet. We mark the gaps in your check numbers with an asterisk.

3. We're also listing the checks vertically. Which is the natural way to read figures.

4. And to simplify things still more, we show the only balances you really need—this month's and last month's.

Bank of America is the only bank that makes this statement. No other bank has it. If you like it, ask for it when you buy your checks.

The whole thing's so simple, sometimes we wonder why we didn't do it sooner.

If you're not a customer of ours, wouldn't this be a good time to join the 20th century?

THE SIMPLE STATEMENT

BRANHAM HIGH

By Roberta George and Mary Watson

"This year we hope the trip to San Francisco, which is scheduled for May 5, will be even better than the last three years," stated Kay Onwiler, chairman of the CSF/Honor Society S.F. trip committee.

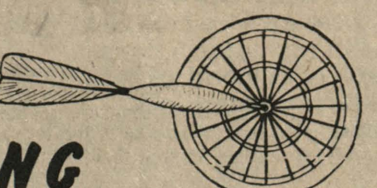
The club also hopes to see a play. Tentatively scheduled is "One Flew Over the Cuckoo's Nest." It will be seen at night, instead of breaking up the day by seeing it in the afternoon.

"A booklet of bus schedules, maps and points of interest in San Francisco will be prepared so that students will be able to find their way around quickly," Kay concluded.

* * *

Meanwhile LEAP, Branhams' Literary Arts Magazine Club, is working hard on planning this year's layout.

"The magazine is the same size as last year's, but of a better quality," stated Tony McNamara, editor. Tony went on to say that is was printed at the "Regional Vocational Center and will be issued the second week of May.



DARTING AROUND

with Tom Carroll

The South Bay League walked away with the laurels in the Northern California Darts Assn. Doubles Championship. Nine area teams qualified in two of the six leagues, but the two finalists were from the South Bay League.

The father and son team of Ben and Jim Macredes had to defeat the defending champions Rich and Gary Curtaz in the semi-final to reach the final match with Des Maples and Roy Haslam.

The brothers Curtaz, shooting for Sam's Vineyard in San Francisco, had to play cross-town rivals Darryl Long and Bill McGurk of the Abbey Tavern II for third place. The brothers took this two straight. But look at the start of that second game. Gary got away with a ton(100), Rich followed through with a 125 and Gary backed that up with another ton, 325 points in nine darts. Not too shabby!

In getting to the semi-finals, Rich had popped a 125, a 120 and two tons, while Gary had a 140 and a ton.

CHAMPIONSHIP MATCH

All matches for the title were played, two out of three games starting at 501. In the first game Roy Haslam popped a 123 to which Jim Macredes hit a 125. After shooting 33 darts both teams had 40 left with the Macredes shooting first. Ben took careful aim on the double 20, but his first dart was high. This was not the case on the second dart. It was dead center.

After 24 darts in the second game Des and Roy were down to 48 while the Macredes still had 91. Roy went out in two darts, 16, double 16.

FINAL GAME

With the match tied one each, the Macredes won the diddle. Jim started off with a 52 away. Roy had double troubles and didn't get started. Ben backed Jim up with a solid 60. Des Maples got away with a 37, three darts and 75 points behind. The Macredes then shot a 55, 45, 81, 85 and an 89 to be left with a 32 after 21 darts. Des and Roy still had 236 on the board.

Ben fired three darts at the double 16. All three ticked off the wire to the outside. Des laid three darts in the 20 bed, leaving a 176, but this wasn't enough. Jim fired one dart dead center into the double 16 and the Macredes became the new doubles champions of the NCDA.

In reaching the finals Jim had shot two 140's, a 72 away and a 99 away. His father had shot a 140, a 78 out and a ton. For the second place finishers Roy Haslam shot a 143 away, a 93 away, a 123 and two tons. His partner, Des Maples, had a 108 away and three tons.

Others from the South Bay and El Camino Leagues with high scores were: Jack Mehtala, 120 and a ton; Ken Tanaka, 115; Larry Parr, ton; Don Rhodes, ton and Jo Aydelotte, the only woman to qualify, 75 away.

ALL-STAR TEAM

These first three finishers in the doubles championship along with singles champion Don Gepson and singles finishers Jim Price, Ray Rahmer and Pat O'Donnell form the NCDA All-Star team. Sorn Sakbodin and Phil Albers are the alternates.

The All-Star match with Southern California is scheduled for the 4th of July weekend. Mugs!

NEW PRESIDENT---Mrs. Phyllis Acker, secretary to the planning director of the City of Campbell, was installed as president of the Campbell Business and Professional Women's Club at a recent dinner meeting. Installation ceremonies were conducted by Mrs. Olivia Jacobson, past district president. Other incoming officers include Mrs. Barbara Manfre, first vice-president; Margaret Moloney, second vice-president; Mrs. Bernice Hubbell, recording secretary; Mrs. Edith Morley, corresponding secretary and Mrs. Dorothy Trevethan, immediate past president, as treasurer.

CAMPBELL

M C s b
E L R A

By Dawn Stoudinger

"We want to speak what's on our minds, but nobody will listen." I'm sure everyone has heard this familiar come back, especially those labeled the "older generation" and teachers. This isn't exactly true when it comes to Campbell High.

In January, the school held a minimum day and excused the students at noon. The teachers stayed at school to discuss new ideas to improve curriculum and school relations between teacher, administration, parents and students.

With the enacting of the hour lunch, a result of these discussions, the average student feels that there is more hope now, and that the teachers and administration do want to comply with some of our requests.

In fact, the hour lunch was accomplished almost exclusively by teachers and the administration. After the success of the last discussion minimum day, the school will have a "Human Relations Day" on May 5.

Apparently the proposal is this:

1. On May 5, there will be a minimum day, made up of six 35 minute periods. School will be out at 12:00.

2. At 12:45 there will begin small group discussions involving large numbers of students and all of the administrative staff and faculty. This is to let it be known that both students and staff will be involved in these discussions.

Any student can come who is interested or has something worthwhile to say.

3. These discussions will be held outside (weather permitting), in the Treasure Chest and patio area.

4. The following are suggested topics for the discussion groups. Grading and evaluation, curriculum (two groups), graduation requirements, discipline and behavior, instructional methods (two groups), minority group relations in the school, activities (two groups), counseling, attendance and tardies. This would make 12 groups in all.

5. Each third period class would pick three representatives to attend the May 5 afternoon meetings. On the day of May 5, discussions would be held in the third period classes, so that all of the students in the school would be able to express their ideas to their representatives.

6. On the afternoon of May 5 these representatives would attend whichever of the 12 groups they pleased.

The 12 groups would be "free floating" groups, in that any representative, or staff member, could change groups at any time.

7. Teachers and administrative staff members will sign up for the 12 groups on a first come, first served basis. This will help to spread the faculty members out evenly among the groups. Sign-up sheets will be in Room 41 on the morning of Monday, May 3.

8. If these procedures are followed, there would be approximately six faculty members and 14 students in each of the 12 groups. Of course, you never know what will really happen.

9. Refreshments, such as soft drinks, could be provided for the afternoon meetings. Everybody bring bag lunches.

10. The theme of the May 5 meeting should be "Constructive Change for the Future."

From now on if someone at school is heard saying "nobody ever listens," or "this school and the teachers don't give a darn," let these people in on the little secret of who started the hour lunch discussions, and just figure they were the ones who didn't care enough themselves, to go to the discussions and realize what's happening exactly and remind them of Human Relations Day, May 5, and see if they show up.

WHIST

The American Legion Auxiliary will hold a Whist party on Monday, May 3 at the Post Hall at 1 p.m. Prizes and refreshments will be available.

CARD PARTY

A card party will be held Friday evening, April 30, at the Grange Hall, 109 N. First St. at 8 p.m.

Industrial education exhibit at fair to attract 600 entries

More than 600 students from Gilroy to Palo Alto are putting finishing touches to a variety of projects which they plan to enter in the Industrial Education Exhibit at this summer's Santa Clara County Fair. The Fair runs from August 13 through August 22.

Student projects this year include everything from an eight-foot grandfather clock to a midget space engine, and from hanging hibachis to computers and technical illustrations.

Some students are investing more than 100 hours of work into the items that are selected for the Fair.

According to Kenneth Casteel, County Assistant Director of Vocational Education and Co-chairman of the Industrial Arts Committee for the Fair, "Many of the exhibits are so professional that students receive offers to sell the things they make. But, most of them get so involved in their projects that they prefer to keep them."

Last year there were 672 entries in the Industrial Education Exhibit from students in the community colleges and in the junior and senior high schools of Santa Clara County.

There seems to be a return to pride in craftsmanship today according to Fred Sherwyn, Coordinator of Vocational Education for the San Jose Unified School District and co-chairman of the Industrial Arts Committee for the Fair.

He said that the current publication of "Academic Interest Measure" highlights the fact that, "Both girls and boys give high rank to school subjects with vocational possibilities."

In addition to the many hours which students devote to producing outstanding projects for the Fair, many Industrial Arts Teachers give a lot of their own time to helping students after school.

There are also many extra hours involved in the summer when the teachers round up and deliver these projects to the Fairgrounds to be exhibited.

The Industrial Education Exhibit features student projects in wood and metal, as well as architectural drawings and models, carpentry models, electronics, graphic arts, handicrafts and various other categories.

Blind college student has folk concert

Paul Henrichsen, Jr., a 19 year old blind West Valley College student, is presenting a folk concert at First United Methodist Church on Friday, May 7 at 8 p.m.

Paul, son of Mr. and Mrs. Paul Henrichsen, Sr., 1509 Vallejo Dr. has been blind since birth.

He recently applied to the California Council of the Blind to take a trip to Sweden, June 16 to July 26 to learn to scuba dive. The program was the outgrowth of a visit here last year by ten Swedish students.

Object of the program is to accept blind students who are somewhat independent (Paul can single ski, hike, etc.) and teach them a skill which they, in turn, can teach to sighted people.

Paul was selected to be a part of the program, but after selections were made, it was discovered that the council lacked sufficient funds to send the entire ten on the trip.

Paul has become known as a folk singer, so he is helping raise money for the program, by putting on the folk concert. Other local talent will contribute to the evening.

The freshman psychology major has a twin brother, Peter, who is sighted, a younger brother, Mark, a student at Prospect and a sister, Michele, who attends Castro Jr. High. He makes use of a cane to move from place to place and employs a cassette type tape recorder for classroom use. He also makes use of two readers who assist him with his studies.

Another chance to clean closets, flea market

All organizations, groups and individuals are invited to clean out garages and attics and profit from the sale of their unusable items at the Moreland School Flea Market to be held on the school playground on Saturday, May 1.

The Flea Market will open at 8 a.m. A fee of $3 will be charged for each space. For information, call Mrs. Hansen 379-2297. Tables must be furnished by those renting spaces. Visitors to the market will have free parking and no entrance charge.

The PTA, sponsor of the event, requests that no food booths be set up since the school kitchen will be open from 11 a.m. to 2 p.m. serving hot dogs, coffee, cold drinks, ice cream bars and donuts.

Moreland school is located at the corner of Saratoga and Payne Aves. in San Jose.

Hamilton flea market has movies, clown, Sunday

The Flea Market which Hamilton School PTA is holding this coming Sunday will have some unique activities for the children, announced Mrs. Georgia Wren, booth space chairman, today.

A clown will circulate among the booths distributing balloons and a projectionist will show movies for a 15¢ admission.

In addition, the sponsoring PTA will have donuts, sandwiches and soft drinks for sale during the day.

The gates will open Sunday morning at 9 a.m. Those setting up booths will be admitted at 8 a.m. Charge for booth space (10x20) will be $2 and reservations should be made with Mrs. Wren, 116 Alice, as soon as possible.

HAMILTON
FLEA! MARKET! SUNDAY MAY 2

FOR OUR SCHOOL---These Hamilton School students are inviting the public to come to their flea market on Sunday, May 2, in the school yard, 480 E. Hamilton Ave. In addition to the booth space ($2 per space; reserve with Mrs. Georgia Wren, 116 Alice Ave.), there will be donuts, sandwiches and soft drinks for sale from 9 a.m. to 4 p.m. The school's PTA booth is also soliciting items. In charge of this is Mrs. Sharon Magnuson, 378-9304.

PLANNING A SHOW---Four participants in the beautyrama, cosmetic, hair fashion and fur show which will be put on tonight (Wednesday) and Friday by Golden Gables Distributors are, left to right, Helen McIntyre, Betty Jo Leech, Vickie Wehr and Denise Lingofelter. The show, which also features the El-eh-a Fashion Lift, will benefit the John D. Morgan Fund. Don Burr, acting chief of police, and Bob Peck, Campbell High School principal, will greet guests. The program will be held in Kennelly Hall at St. Lucy's Church, 2350 Winchester Blvd. There is no admission charge. John H. Wehr is chairman of the event. Assisting will be the ladies pictured as well as Jack Leech, Mr. and Mrs. Harvey Hartman and Richard Key. About 70 other volunteer beauty advisors will also assist.

ENTERTAIN CHURCHWOMEN---Karl Johnson, Linda Brown, John Rhoades and Clayton Neece are among the young people who'll be entertaining churchwomen at a fellowship day celebration at First United Methodist Church on Friday, May 7.

REHEARSING FOR SATURDAY---Members of the newly-formed San Jose Children's Musical Theater, practice for their support of "The Emperor's New Clothes," a musical presentation at Cabrini Community Theater on Saturday and Sunday. Left to right are Pat Healey, violinist and musical director; Chris Khoury, piano; Bernadette Barton, violin; Bobbie Howe, clarinet; Diane Regello, Karen Hastings, cellos; Michael Barton, flute; and Rick Dolla, piano. Just out of the picture is John Millar, cello.

'Emperor' is on stage Saturday

The San Jose Children's Musical Theater, sponsored by the Cabrini Community Theater, will unfold the folktale "The Emperor's New Clothes", complete with orchestra, this weekend.

This production involves over 90 young people from 6-18 years of age who have come together from over a dozen different schools, working as long as eight hours a day (on Saturdays!) under SJCMT Resident Director John P. Healy, Jr., to present this fable to children of all ages in the San Jose area.

Performances will be at 8:15 p.m. on Saturday and Sunday, May 1 and 2, with a special Mother's Day Matinee on Sunday, May 9 at 3 p.m., with mothers accompanied by children admitted at half price. Regular admission is a donation of $1. Performances will be held at the St. Frances Cabrini Hall on Camden Ave.

In addition to the usage of a Strobe light for special effects, Director John P. Healy, Jr., has designed an unusual style of set which, he claims, can be changed in less than five seconds, called the periactoi. The idea for this set is taken from the scenery used in the ancient Greek Theater.

Assisting Healy in the construction and painting of these sets are Technical Director William Powell, Assistant Directors Robbi Thornburg and Mark Healy, and artist, Mr. Thornburg, father of the assistant director.

The SJCMT is a family affair, utilizing parents and volunteers from the community to help in the completion of their musicals.

The SJCMT Theater orchestra, accompanying this production is under the co-direction of Patricia Healy, musical director, from the College of Notre Dame, Belmont, and John P. Healy, Jr., director. It is comprised of 16 musicians ranging from junior high students to dentists. It is hoped that this orchestra can continue on a year-around basis, accompanying all CCT and SJCMT productions. Interested musicians are always welcome to come to rehearsals and sit in with their instruments.

Group rates for Scouts, clubs or classes are available at a 25% discount if over 20 people are in the group, by calling 371-0232 or 371-0491. For further information about "Emperor", or the Summer Workshop, to produce "Wizard of Oz", complete with orchestra, or tickets, call the above numbers or 377-9825.

Music tryouts at Woman's Club

A musical program will be enjoyed by the members of the Country Woman's Club of Campbell at their meeting on Monday, May 3 at 1 p.m. in the clubroom at 274 E. Campbell Ave.

Auditions for the music scholarships which are given each year by the club to outstanding music students will be the high point of the day.

Mrs. Claude Barham will serve as chairman for the afternoon, assisted by Mmes. William Mix, B. H. Howe, Phoebe Davis and Catherine Halliwell.

IF YOU CANNOT COME IN, CALL FOR AN APPOINTMENT FOR OUR REPRESENTATIVE TO COME TO YOUR HOME.

WHAT'S SO GREAT ABOUT CARPETING?
When you think about it, carpet means a lot to a home. It gives each room a great source of decorative color and a luxurious atmosphere. It's surface is soft, warm and comfortable....it makes you want to relax. Acoustically, it muffles sounds to make things more pleasant at parties or when the neighbor's kids come over on a rainy day. And if somebody slips it cushions the fall. For these reasons and more, carpet will always be one of the great comforts of a home.

WHY COME TO LINOLEUM DICK'S?
At Linoleum Dick's you'll find a complete selection of modern carpet styles, fibers and colors. And we will be happy to assist you in choosing the right kind of carpeting for any room in your home. We will measure the room, give you a cost estimate and install the carpeting to your complete satisfaction. You see, we want to do our part to make carpeting great....particularly for you.

Report on a "Sentimental Journey"

MYSTERIOUS STRANGERS---The "Sentimental Journey" to Monterey had a variety of passengers, including two "musicians" who traveled from car to car playing---not "Sentimental Journey", but a tune called "It Happened in Monterey".

GETTING HOME---Passengers disembarking from the Rotary-sponsored train trip from San Jose to Monterey last week included, far left, Neal Royer, center, Bob Hichborn and in the rear Wally Hall, former president of West Valley College, who served as a host.

by Sally Howe

Sunday was a grand day for 1219 people, mostly Campbell residents. They had a good time and added $2500 to the John D. Morgan Fund.

That morning, in spite of the change of the clock the night before, these people met at the Southern Pacific Depot in San Jose before 9:30 a.m.

Some of them were there extra early, carrying picnic baskets, warm jackets and wearing expectant looks.

Some of them wore badges proclaiming their name and service club.

The occasion was a "Sentimental Journey," Campbell Rotary's trip to Monterey by train.

And a "sentimental" journey it was, too, for the many passengers who hadn't ridden on a train for many years and for those who had lived in California for many years without seeing some of the "back streets."

The demand for tickets had been so great that additional cars (some of them the old commuter type) had been added at the last minute, bringing the total to 16.

The crowd was in a festive mood, with the "hosts and hostesses" (Rotary members) of each car making their "charges" feel welcome.

The train had barely left the station when the "young set" (mobile children between the ages of 5 and 12) discovered what great fun it was to walk from car to car. For a change, no one cared. No one said "sit down" or "where's your mother?", but rather good-naturedly took the occasional bump which the swinging (from side to side) train caused.

There was "entertainment", too.

Two strange men, wearing sunglasses, appeared in the cars and invited the passengers to join them in a refrain of "In Old Monterey". One carried an accordian and the other a bass viol. Later, Ed Tonini, instrumental music teacher at Campbell Elementary School and Bruce Stephenson, principal of Rolling Hills School, were seen carrying musical instruments from the train.

The train, which was pulled by three "G.P." engines, was two-thirds of a mile long. Going down to Monterey it bore the title "Extra 3007 East" and coming home it was "3003 West".

It carried college presidents, doctors, lawyers, firemen, policemen, engineers, businessmen, laborers, barbers, insurance men, farmers, electricians, and folks, folks, folks, and neighbors and more folks.

When the train arrived in Monterey, Mayor Dean Chamberlin and his wife, Veva, were met by Al Madden, mayor of Monterey and Dusty Smith,-president of Monterey Rotary Club.

The passengers swiftly disembarked and....vanished.

For three hours, they took boat rides, visited historical sites, ate and swam. Kids looked for shells, and families picnicked or dined on the wharf.

The three hours were gone ----whisk!

And before they knew it, it was time to leave.

Weary, some of the passengers dozed the two hours going home.

Not the Rotarians, though, some 31 of them were working as candy butchers, conductors, and car hosts. Much in evidence was Norman Scott, president, and Myron Alexander, resplendent in his striped overalls.

The guy who really knew what was coming off was Al Smith, long-time Rotarian and a real railroad "buff" who can "talk train" by the hour.

The final chapter of the trip hasn't yet been written, as the "sentimental journey" was also a benefit---for John Morgan, Campbell's Chief of Police, who has been hospitalized for sometime.

The take, according to spokesmen for the club, looks to be over $2500---CLEAR---a fitting end to a perfect day.

LOVE AND COMEDY---"The Lady's Not For Burning" will be presented at West Valley College's Campbell campus auditorium April 29, 30 and May 1. Steve Robinson as Thomas Mendip and Ruthanne Cook as Jennet Jourdemayne express the love they find for each other in Christopher Fry's intense verse comedy. The curtain will rise at 8:15 p.m. each night. Tickets for the production will be available at the door.

BUCKNALL CARNIVAL

Bucknall PTA is planning a carnival Saturday, May 1, at the Bucknall Elementary School grounds, corner of Bucknall and San Tomas-Aquino Road.

The fun day will include many booths, prizes, refreshments and a variety of games. Each booth is represented by a classroom and will be run by mothers of that grade. The children are making prizes and signs for booths throughout the Carnival.

The event will take place from 10 a.m. to 5 p.m.

GARDENERS

Dig "N" Dream Garden Club will meet Wednesday, May 5, at 10 a.m. at the home of Mrs. R. W. Walby, 105 Massol Ave. in Los Gatos. Scheduled is a tour of Robert Pulver garden in Saratoga (19160 Austin Way) and afterwards will return for their business meeting and luncheon.

FROM QUAKER STATE---Erline McLaughlin, formerly of Philadelphia, Pa., has recently acquired the Celebrity Coiffures at 2083 Winchester Blvd. As a hair stylist and beauty expert in Philadelphia, she brings eight years of experience to her new salon. During the past week, Mrs. McLaughlin has been busy filling in a complete staff of operators, and has announced that she is now ready to serve the beauty needs of her new home community.

Ecumenical fellowship program planned at Methodist Church

The West Santa Clara Valley Unit of Church Women United convene for their annual May Fellowship Day Celebration on Friday, May 7 at the First United Methodist Church, 1675 Winchester Blvd., from 12:30 p.m. to 2:30 p.m.

Guests are asked to bring a sandwich for the noontime luncheon; coffee, tea and dessert will be provided. Lunch time entertainment will be by young folk singers from the West Valley Churches.

Following lunch, the women, using the theme "Focus on the Family in the New Era", will explore the qualities which make the family a viable unit today and in the future.

This exploration, guided by Mrs. William McNeely, director of Youth Work at the Los Gatos United Methodist Church, will feature the use of innovative films and group discussion. One film on the program, "Utopia", spotlights the family in the year 2000.

Mrs. Robert W. Smith, president of the West Santa Clara Valley Unit, will extend the welcome and Mrs. John Bergthold, president of the Womens Society of Christian Service of the First United Methodist Church of Campbell, will act as hostess. Nursery care is provided.

Rental sponsors trip contest

Bob Tellesen of the Campbell United Rent-All has announced that Campbell area residents may participate in his firm's huge "Pick-A-Trip Sweepstakes". A total of 700 prizes will be given away to winners in the store's coast-to-coast sweepstakes campaign.

Grand prize in the sweepstakes, according to Tellesen, is a "free flight for six" anywhere Delta flies, with room accommodations for five days furnished by the Hilton Hotel chain. Ground transportation will be provided the winner by the Hertz corporation.

The long list of prizes include silver settings, cameras, tape recorders, the use of a Ford Pinto for a week, home electric drills, luggage sets and hundreds of other valuable prizes.

Anyone can enter, Tellesen said, by just stopping in at his United Rent-All store at 1565 Winchester Blvd. in Campbell, and filling out a free entry blank. No purchase is required, and you have until May 30 to enter.

PANCAKES

Brookview School on Radoyka Way will hold their annual pancake breakfast on Sunday, May 2 at 8:30 a.m. at the school. Tickets are available at the door.

PG and E energy can put an answer to the pollution problem in the palm of the hand.

This handful of clean slag represents ten pounds of trash after being reduced by natural gas in a large scale disposal plant. Such plants handle almost any kind of waste–from food scraps to bottles and cans.

Systems that will clean-up our air and water, recycle or dispose of wastes and power rapid transit will require more and more clean energy–natural gas and electricity.

Our job is to be sure there'll be plenty of energy for these environmental jobs; our construction program for new facilities is carefully planned to meet energy demands adequately and reliably as needed. PG and E

Search for "Mother of the Year"

Who do you know who really "puts herself out" for her family?

You know, the mother who wears roller skates, who's in twelve places at the same time doing community work, but who still has kids who adore her, a clean kitchen floor and time to talk on the phone?

She doesn't exist, you say?

Well, we haven't had too much trouble finding nominations for "Mother of the Year" in the past, and we don't anticipate having trouble this year.

But you've got to get busy right now and fill out the nomination form. We've printed one in the paper and you'll find ballot boxes and additional forms at some of the local stores. Send them to the Campbell Press, P. O. Box 158, if you don't locate a ballot box.

And, mother, it won't hurt to "hint" a little to your family.

PRIZES

Campbell's "Mother of the Year" will win a citywide "shopping spree" through the cooperation of Campbell merchants.

She will be given a $12.50 permanent Wave by Erline McLaughlin, new owner of the Celebrity Coiffures at 2083 Winchester Blvd; one dozen roses from Tommy Blackmun's Campbell Floral Shop on Campbell Ave.; a genuine Swedish hand-wrought Iron Candelabrum with three candles of her choice from Scandia Furniture in the Kirkwood Plaza Shopping Center;

A Needlemaster Portfolio from Lydia's Knit & Stitch Shop in the PruneYard Shopping Center so "Mother will never need to buy another needle"; a $10 Merchandise Gift Order from the new Louanna Shop in the PruneYard; a lovely Cosmetic Gift Set from Blaine's Aero Pharmacy on Winchester Blvd.; an imported Fondue Set with a box of six matching fondue forks from Import Expo in the Campbell Plaza Shopping Center;

Free rental of any items in the store up to $20 value from the United Rent-All at 1565 Winchester Blvd.; a box of genuine Engraved Personal Stationery, a special "Mother of the Year" certificate and a subscription from the Campbell Press, and for a grand finale, a Mother's Day brunch at Ken's House of Pancakes on Hamilton Ave. for her and her entire family.

LEGAL NOTICE

NOTICE INVITING SEALED PROPOSALS OR BIDS
CATALPA-EL CAMINITO-CALIFORNIA LOCAL IMPROVEMENT DISTRICT NO. 21

Pursuant to the Municipal Improvement Act of 1913 and the resolution directing this notice adopted on April 12, 1971, by the City Council of the City of Campbell, said Council invites sealed proposals or bids for the clearing, grubbing, grading and removal of existing trees, shrubs and structures and the construction of base, pavement, curbs, gutters, sidewalks, street lighting, sanitary sewer laterals, surface and subsurface storm drainage facilities, and relocation and/or reconstruction of existing utilities, together with all appurtenances, as more particularly described in Resolution of Intention No. 2875 adopted by said Council on July 27, 1970, as subsequently amended, which resolutions are on file in the office of the City Clerk and to which reference is hereby expressly made for a more particular description of the work to be done.

All of said work is to be done at the places and in the particular locations, of the forms, sizes and dimensions and of the materials, and to the lines and grades and at the elevations as shown and delineated upon the plans, profiles and specifications made therefor and preliminarily approved by said Council on April 12, 1971.

Payments will be made in cash by said City to the contractor in accordance with the provisions of the specifications and on itemized estimates duly certified and approved by the Director of Public Works submitted in accordance therewith, based on labor and materials incorporated into said work during the preceding month by the contractor. However, notice is given that a period of 30 days is given to the property owners in which to pay their assessments, and if cash collections are insufficient to meet such monthly estimates, there will be a delay in making such payments until money is received from the sale of bonds issued upon the unpaid assessments.

Notice is hereby given that on April 12, 1971, the Council adopted a resolution determining the general prevailing rate of per diem wages to be paid to the various craftsmen and laborers required to construct said improvements, a copy of which wage scale is hereto attached and made a part hereof, and also contained in and made a part of the specifications for said work, to which reference is hereby made for further particulars.

All proposals or bids shall be accompanied by cash, cashier's or certified check payable to the order of the City Clerk, amounting to ten percent (10%) of the bid, or by a bond in said amount and payable to said Clerk signed by the bidder and a corporate surety, or by the bidder and two sureties who shall justify before any officer competent to administer an oath, in double said amount and over and above all statutory exemptions. The amount so posted shall be forfeited to said City in case the bidder depositing the same does not, within 15 days after written notice that the contract has been awarded to him, enter into a contract with the City.

Contractor shall furnish to City a faithful performance bond and labor and material bond as required in said specifications.

Said sealed proposals shall be delivered to the City Clerk of said City on or before 2:00 o'clock P.M., of the 14th day of May, 1971, City Hall, Campbell, California, said time being at least fourteen days from the time of first publication of this notice. Bids will be publicly opened, examined and declared on said day and hour, and referred to and considered by the Council at its meeting at 8:00 o'clock P.M., on May 24, 1971.

A copy of the plans and specifications may be obtained from the office of the Department of Public Works, City Hall, 161 East Grant Street, Campbell, California, upon deposit therefor of $15.00, which will be refunded if said plans and specifications are returned within ten days.

Dated: April 12, 1971.
DOROTHY TREVETHAN
City Clerk of the City of Campbell

LEGAL NOTICE

NOTICE OF IMPROVEMENT
CATALPA-EL CAMINITO-CALIFORNIA LOCAL IMPROVEMENT DISTRICT NO. 21

NOTICE IS HEREBY GIVEN that on the 27th day of July, 1970, the City Council of the City of Campbell, California, adopted its Resolution of Intention No. 2875, as subsequently amended, wherein it did declare that in its opinion the public interest and convenience required, and that it was the intention of said Council to order the following acquisitions and improvements in and for said City, to wit:

(a) The improvement of California Street from a point 260 feet, more or less, northerly of Catalpa Lane to Budd Avenue, Catalpa Lane from California Street to a point 130 feet, more or less, westerly of Winchester Boulevard, the northerly one-half of Catalpa Lane from Winchester Boulevard westerly 130 feet, more or less, El Caminito Avenue from California Street to a point 150 feet, more or less, westerly of Winchester Boulevard and the southerly one-half of El Caminito Avenue from Winchester Boulevard westerly 150 feet, more or less, by clearing, grubbing, grading and the removal of existing trees, shrubs and structures and the construction therein of base, pavement, curbs, gutters, sidewalks, street lighting, sanitary sewer laterals, where required, surface and subsurface storm drainage facilities, where required, and the relocation and/or reconstruction of existing utilities, where required, together with appurtenances to any of the above.

(b) The construction of storm drainage mains, manholes with manhole frames and covers, together with all appurtenances thereto in Catalpa Lane and El Caminito Avenue from California Street easterly 600 feet, more or less, together with the connection thereof to existing storm drainage facilities.

(c) The acquisition of all lands and easements and the performing of all work auxiliary to any of the above and necessary to complete the same.

All of said work and improvements are to be constructed at the places and in the particular locations, of the forms, sizes, dimensions and materials, and at the lines, grades and elevations shown and delineated on the plans, profiles and specifications preliminarily approved therefor by the City Council of said City and on file for public inspection in the office of the City Clerk.

Notice is hereby given that to the extent shown in the Engineer's Report it is the intention of the legislative body to enter into agreements with public agencies or public utilities, or both, relating to ownership, management and control of improvements subject to their jurisdiction.

Notice is hereby given of the fact that in many cases said work and improvements will bring the finished surface of the ground to a grade different from the surface as it now exists, and that to said extent said grades will be changed and that said work will be done to said changed grades.

Said contemplated acquisitions and improvements, in the opinion of said Council, are of more than local or ordinary public benefit, and the costs and expenses thereof are made chargeable upon an assessment district, the exterior boundaries of which district are the composite and consolidated area as more particularly shown on a map thereof on file in the office of the City Clerk, to which reference is hereby made for further particulars. Said map indicates by a boundary line the extent of the territory included in the proposed district and shall govern for all details as to the extent of the assessment district.

The estimated cost of the project is $157,999.55, of which the City will contribute the estimated amount of $105,383.05, leaving an estimated amount of $52,616.50 to be assessed.

Notice is hereby given that serial bonds to represent unpaid assessments and bear interest at the rate of not to exceed seven percent rest at the rate of not to exceed seven percent (7%) per annum, will be issued hereunder in the manner provided in the Improvement Bond Act of 1915 (Division 10 of the Streets and Highways Code), the last installment of which bonds shall mature not to exceed fourteen (14) years from the second day of July next succeeding ten months from their date.

The descriptions of the acquisitions and improvements and the termini of the work contained in the Resolution of Intention as amended, are general in nature. All items of work do not necessarily extend for the full length of the description thereof. The plans and profiles of the work, and maps and descriptions, as contained in the Engineer's report, shall be controlling as to the correct and detailed description thereof.

Except as herein otherwise provided for the issuance of bonds said work shall be done pursuant to the Municipal Improvement Act of 1913.

Reference is hereby made to proceedings had pursuant to Division 4 of the Streets and Highways Code, all on file in the office of the City Clerk.

Notice is further given that the Director of Public Works pursuant to said Act and said Resolution of Intention, as amended, adopted pursuant thereto, did on the 12th day of April, 1971, file with the City Clerk of said City his report in writing on said acquisitions and improvements, consisting of plans, profiles, specifications, estimate of costs and incidental expenses, diagram and assessment, maps and descriptions, and said Council did on said date consider and examine said report and by resolution preliminarily approved and confirmed same and ordered that said report shall stand as the report for the purposes of all subsequent proceedings had pursuant to said Resolution of Intention, as amended.

NOTICE IS FURTHER GIVEN that Monday, the 24th day of May, 1971, at the hour of 8:00 o'clock P.M., of said day, in the regular meeting place of said Council, Council Chambers, City Hall, Campbell, California, are the time and place appointed and fixed by said Council when and where it will consider and finally determine whether the public interest, convenience and necessity require said acquisitions and improvements, and when it will consider and determine whether the owners of a majority of the area of the property in the proposed assessment district have protested against said acquisitions and improvements or any portion thereof, and when and where it will consider and finally act upon the Engineer's report filed pursuant to said Resolution of Intention, as amended, and when and where it will hear all protests in relation to said proposed acquisitions and improvements, or to the grades at which said work will be done, or the extent of the assessment district, or to the Engineer's estimate of the costs and expenses thereof, or to the proposed diagram and assessment, or to the maps and descriptions and that any person interested may file a written protest with the City Clerk at or before the time set for the hearing referred to herein.

Reference is hereby made to said Resolution of Intention, as amended, and said report, including plans, profiles, specifications, estimate of costs, diagram and assessment, and maps and descriptions, for a more particular description of said acquisitions and improvements to be had and done, and for further particulars, all on file in the office of the City Clerk.

MORE ABOUT

'Chiller' unit

(Continued from Page 1)

Council Chambers. City Manager Bob Stephens explained that if the lounge was not completed, it would be necessary to provide an interim coffee room elsewhere in the city hall which could involve eating and drinking in the City Council caucus room directly behind the chambers or in one of the conference rooms.

In another matter affecting the city hall, Bill Hedley, the architect, and members of the City Council had trouble getting together on the proper way to choose the furnishings for the new edifice.

The Council approved a maximum allocation of $57645 for furnishings to be delivered after July 1. Jeff Whitaker, city finance director, explained that the furnishings expenditure and other city hall improvements would be within the anticipated budget based on the proposed tax rate for next year which is anticipated to be one cent less than this ayear.

Hedley cautioned the Council of the risk involved in purchasing unattractive furniture. He maintained that the advice of an expert interior decorator was needed and that the Council would be "courting design chaos" without such advice.

It was reported that such a design survey would cost about $3500. Most of the councilmen emphasized that they did not think such an expense was necessary. They felt that many of the big firms would furnish such information at no cost.

Hedley insisted that, in his opinion, it would be better to have less furniture than contemplated provided it was designed properly.

After several false starts, the Council ruled that Whitaker should continue working up specifications with the help of dealers and then, hopefully, find some qualified designer to put his blessing on the results.

In another city hall matter, the Council approved the recommendation of City Manager Stephens that the city should contract for janitorial services for the new city hall rather than using city personnel.

Westmont, announces A's

According to Robert Culp, principal of Westmont High School, the following students received straight "A's" for the third quarter of the 1970-71 year.

Freshmen: Marie Alberry, Diana Donielson, Rita King, Cindy Martin, Julianne Mommsen, Ted Nelson, Cynthia Vetter and Cristina Zarate.

Juniors: Dave Metcalf, Mark Olsen and Bonnie Stoner.

Sophomores: Cheryl Cimburek, Pamela Falke, Deborah Gehman, Pamela Heinen, Elaine Marchesi, Sandra Martin, Edward Ries and Charlene Vernon.

Seniors: Diana Allen, Ricky Anderson, Robert Duncan, Glen Elder, Eliot Kalman, Leslie Morley, Daniel Tomlinson, Terry Turner and Maureen Whitlock.

Branham announces A's

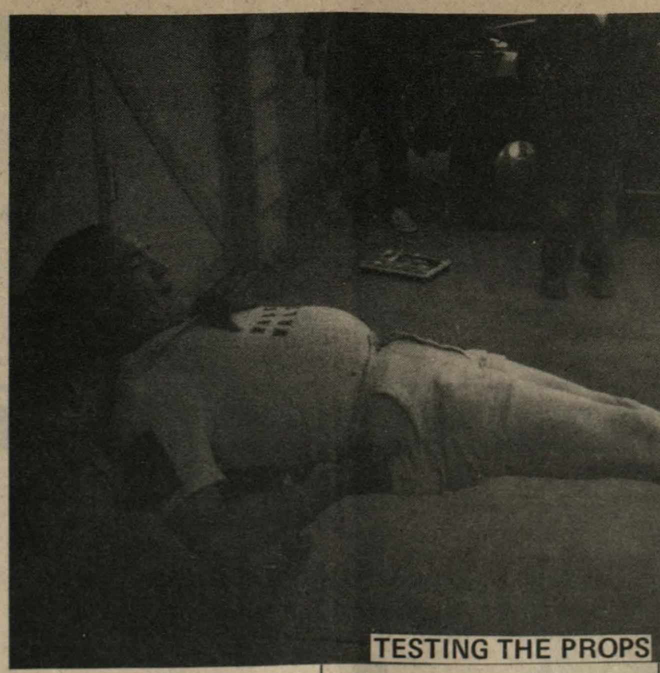
According to Burl Fields, principal of Branham High School, the following students received straight "A's" for the third quarter of the 1970-71 school year.

Freshmen: Keith Aplustill, Kathleen Barrette, Barbara Bosley, Karen Brayton, Sherrie Cassady, Frank Cirocco, Nora Fish, Jolie Hunter, Glenn Kumano, MIchael Logue, Larry Ostroff, Vickilyn Sanders, Julia Ann Stitt, Perry White and Ruth Willheim.

Juniors: Jerry Abl, Richard Brown, Karin Fidrych, Peggy Gillette, Susan Guaneli, Sharon Hoernicke, Harry Houpis, Kathy Lee, Linda Ricker, Theresa Ryniewicz, Roxanne Walz and Joyce Warning.

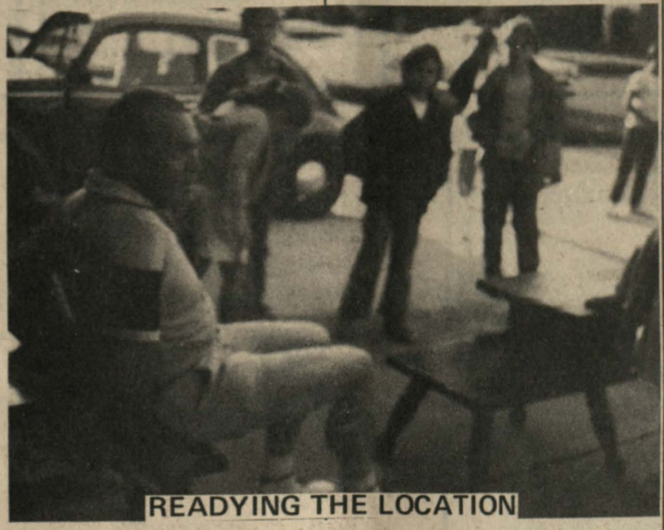
Sophomores: Cynthia Baugous, Steve Billars, Carolyn Duke, Linda Engleman, Marcy Epstein, Kathy Graham, Timothy Harris, Kathy Osbolt, Michael Prince, Cheryl Saugstad, Claudia Shanen, Kay Sontra, Kathy Tait and Nikki Tomlinson.

Seniors: Leslie Bradshaw, Debra Cash, Kevin Dwyer, Karen Garcia, Klaus Giessler, Marilyn Slinger, Sonja Kuborovick, Cathy McAbee, Debra McMahon, Jacqueline O'Neil, Carol Olson, Carlee Schatmeier, Elizabeth Stuke, Jeff Ulrich and Ardis Young.

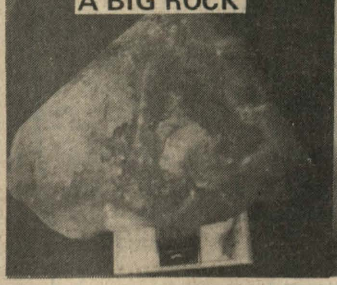


TESTING THE PROPS

GETTING PROPER PLACEMENT



READYING THE LOCATION



A BIG ROCK

BANG!

Walkin' Walter is keeping fit.

Walkin' Walter Osborne has quite a reputation as a walker.

Walkin' Walter also has a pretty strong stomach.

And proved that recently when he demonstrated for some of his neighbors around 142 Wilton, where he makes his home.

Walter, who is obviously idolized by the neighborhood children, says he is "almost 65" and that he "only" walks about 20 miles a day now.

His concern, he says, is that he'd like to do something for the John Morgan Fund, and thought perhaps some group might like him to put on a demonstration for them.

He had neighbor Bill Doty place a 90-pound rock on his stomach while he suspended himself between two coffee tables in front of the apartment house where he lives. Rick Neidhardt, another neighbor, held one of the tables as Doty raised a sledge hammer and shattered the rock – and the onlookers cheered.

All Osborne needs now is for someone to come forward and ask to use his talents for fund-raising. Any takers?

May college calendar features entertainment, music, photography

Throughout the month of May a wide variety of events will occur at West Valley College as part of the college's sixth annual Fine Arts Festival.

Designed as a showcase for the college's fine arts program, the festival is under the direction of Humberto Hermosillo, fine arts division chairman.

Brazilian guitarist Laurindo Almeida will perform in a one-night concert on May 4 at 8 p.m. One of the world's great concert guitarists, he is ever being compared to the father of modern classic guitar, Andres Segovia. He brought bossa nova to the U.S. long before it was called that, and he has scored many films, often composing, then playing his own music. His recordings include duets with Sammy Davis Jr., Stan Getz and Bud Shank.

The gospel-spiritual singing group, the W. Elmer Keeton Memorial Chorus, will appear at the college May 7 at 8 p.m. Formed in 1947 the group is composed of men and women of various occupations and religious denominations. It is a non-profit acappella group of mixed voices that has sung on radio, television and in the opera Aida with the San Francisco Opera Association.

El Mariachi de Santa Cruz, a fine Mariachi group from the San Joaquin Valley, will appear May 11 at 8 p.m. The group consists of two trumpets, three violins, one large guitar, one regular Spanish guitar and two small guitars.

Ansel Adams - renowned photographer, ardent conservationist, Guggenheim fellow, productive author, Sierra Club director, and unofficial photographer laureate of Yosemite National Park - will appear May 13 at 8 p.m. Adams will present a slide-lecture show of many of his works.

The first annual art exhibit of community colleges of California will also be held during the month of May. During the month, works of art by instructors of California's community colleges will be exhibited at three exhibit halls in the Santa Clara area.

Oil, acrylic and sculpture will be shown at the Triton Museum in Santa Clara; mixed media will be on display at West Valley College's Viking Art Gallery; and Villa Montalvo in Saratoga will house watercolors.

Other activities during the festival include: May 19 at 8:15 p.m., the Community Jazz Ensemble; May 22, 8 p.m., Los Gatos-Saratoga Pops Concert; May 25, 8 p.m., Spring Choral Concert; May 27, 8:15 p.m., Jazz Ensemble and Symphonic Band; and May 28, 8 p.m., West Valley College Symphony.

Tickets will be required for the first four events, and may be obtained from the Office of Community Services, 44 E. Latimer Ave., Campbell, room L-26, telephone 379-1733, ext. 58.

All of the events will be held in the Campbell campus auditorium, corner of Winchester Blvd. and Campbell Ave.

REBEKAH

Ada Rebekah Lodge meeting Tuesday, May 4 at 8 p.m. at the Odd Fellows Hall at First and Campbell Ave. Entertainment will be provided by the De Molay Lodge commemorating Mother's Day.

CHOPPER MECHANIC

Airman Christopher J. Anastacio, son of Mr. and Mrs. Oliver J. Anastacio, 2117 Surrey Pl., Campbell, has graduated at Sheppard AFB, Tex., from the technical training course for U.S. Air Force helicopter mechanics.

EDUCATIONAL MATERIALS

EDITORS NOTE:

The following release was submitted by the Campbell Elementary Teachers Assn. Because it basically consists of a statement by the president of the CETA, we are publishing it in its entirity under "letters-to-the-editor".....G.V.

The Campbell Elementary Teachers Assn. announced today that a survey of teachers in the school system, 17 of 19 schools reporting, revealed that money spent by each individual teacher for materials and supplies to enhance the educational program amounted to $22,551.55 in the school year 1969-70. Of the 333 teachers in the association surveyed this amounts to an average expenditure of $68.00 per teacher.

Mr. Herb Wadley, president of CETA was quoted as saying, "Last year the teachers of the Campbell Union School District received no salary increase, as a matter of fact, the salary schedule of CUSD, when compared with all salary schedules in the Santa Clara County, ranks fourth from the bottom (29th out of 32).

"Teachers have voluntarily contributed educational monies to the educational program and this indicates a basic inadequacy in the educational program.

Teachers should not be responsible nor should they be expected to make up the difference when the educational program is reduced as was the case in the CUSD last year.

"Continually the teaching profession is under attack by those who would have people believe that educators work fewer hours and receive higher salaries when compared with other occupations, but by a national survey conducted in 1969 by the National Educational Assn., teachers work on the average more hours in ten months than other occupations work in twelve months.

"Teachers in the CETA have worked hard to develop educational programs. Time, effort and obviously money is expended by teachers to help the children receive a better educational program, but seldom is the public made aware of these facts."

HEART SICK

Dear Editor:

I am heart sick at the results of the election of school board officers.

Out of nearly 12,000 in our precinct, only a little over 300 people got off their cans and went to the polls. These are all taxpayers who don't care enough where their hard-earned dollars are going enough to go to the polls. The ones who did make it were part of one of the nastiest political schemes I've seen in my 19 years of tax paying.

I'm thoroughly sick of people who sit back and draw government pensions, and people who have no kids, etc. that won't register when its their money involved.

I am never sure of all the amendments on any ballot, but the ones I am sure of, I go all out to support, the rest I leave blank.

Please rap 'em in Wednesday's paper for me. We all, including myself, have room to grow here.

Bette Maniglia

DO SOMETHING

Dear Editor:

Can the "silent majority" be activated by a local service group? The Campbell JayCees are counting on it and the local Pepsi Cola Bottling Co. is helping them do it. They plan to bring together some pressing community needs with some ambitious community residents. They will be asking people to make a modest commitment to DO SOMETHING locally. DO SOMETHING is the name of their project.

The plan is to operate initially over a two month period. There are two phases of the program. One is already under way. The JayCees are currently compiling a list of needs. They have asked the local service groups, community organizations, and interested individuals to assist by contributing specific tasks to the growing list. The only requirement is that jobs be specific and limited in duration.

Your ideas may be submitted by mail to the JayCees at P. O. Box 128, Campbell, 95008.

The second phase of the program will be during the first part of May. "Silent citizens" will be asked to commit themselves to specific tasks. Here is an opportunity to actively participate in improving your community....... will you DO SOMETHING?

Norman Wood,
JayCees chairman
Richard Smith

Redistricting of Sunsweet locals emphasizes urban trend in area

Another step in the transition of this area from agricultural to urban was noted this week when it was announced that three "locals" (including the Campbell-Los Gatos unit) of the Sunsweet Growers Inc. would be redistricted into the Oak Grove local, south of San Jose.

The move is being made, according to G. K. Schrader, long-time associated with Sunsweet, because of the urbanization and lack of fruit grown in the immediate area.

Cupertino and Fremont locals will be redistricted with Campbell into the Oak Grove local.

On Thursday of this week, directors of the Campbell-Los Gatos local will hold their annual dinner meeting at which time they will take action on some of the matters affected by the "merger".

Schrader explains that the Campbell-Los Gatos local of the California Prune and Apricot Assn. was incorporated on March 28, 1929. Since then the name of California Prune & Apricot Assn. has been changed to Sunsweet Growers Inc. The Campbell-Los Gatos local was one of 33 locals or districts, comprising the marketing association. (Sunsweet Growers Inc.)

From 1929 until 1945 the Campbell plant grew by expansions and graded and sorted dried prunes from an average of 2,000 tons to 11,000 tons annually. The peak employment being in September, October and November.

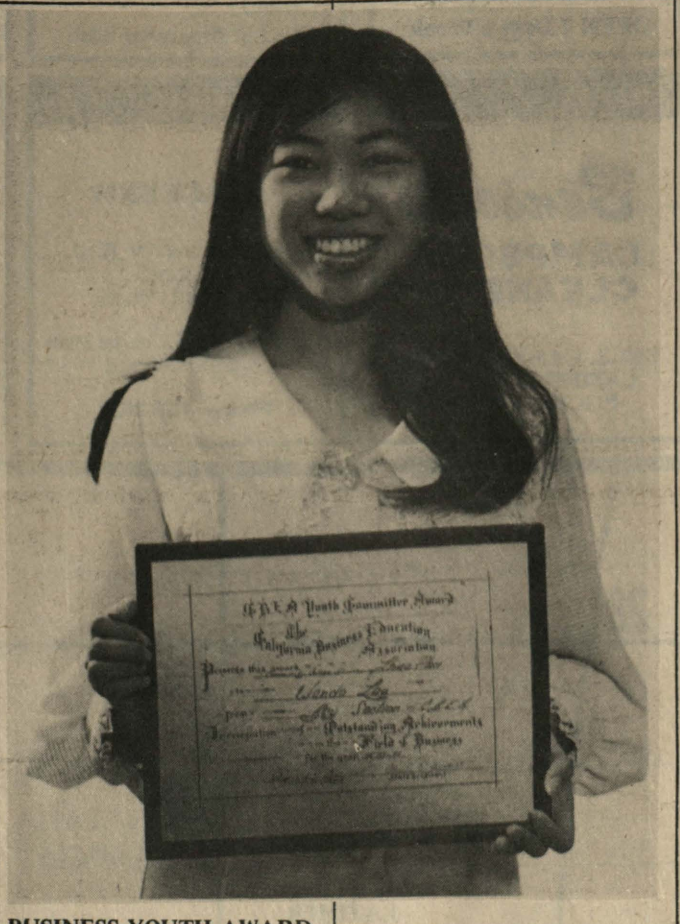
In 1937 the Campbell Co-operative Dryer was incorporated and in 10 years grew to be the world's largest dehydration plant. In 1937, 2500 fresh tons of prunes were dried, while in the years from 1945 to 1955 approximately 15,000 fresh tons were dehydrated annually.

Due to urbanization, the fresh prune tonnage at the dryer as well as the dried tonnage at the dried fruit plant has diminished from local orchards during the past 15 years, but prunes from other districts, such as the Sacramento Valley have been shipped here for drying and grading according to Schrader. This procedure will probably be continued for many years to come, he adds.

In 1970, over 4000 fresh tons of prunes were dried locally of which approximately 80% were shipped in from newer prune growing areas. Also over 5,000 tons of dried fruit were shipped in for grading and sorting here.

Schrader emphasizes that the redistricting of the Campbell-Los Gatos local into the Oak Grove local of Sunsweet Growers is an inevitable result of urbanization of the area.

To have seen this valley at blossom time 60, 40, or even 25 years ago was a breath-taking experience, which brought many visitors here for the annual Blossom Day celebrations, Schrader points out, but time marches on and the valley has changed.



BUSINESS YOUTH AWARD ---Wanda Lee, West Valley College freshman, displays the third place plaque she recently won for outstanding achievements in the field of business. The award was given by the Bay section, community college division of the California Business Education Association. Miss Lee resides with her parents at 3236 Williamsbury, San Jose.

GRADUATES

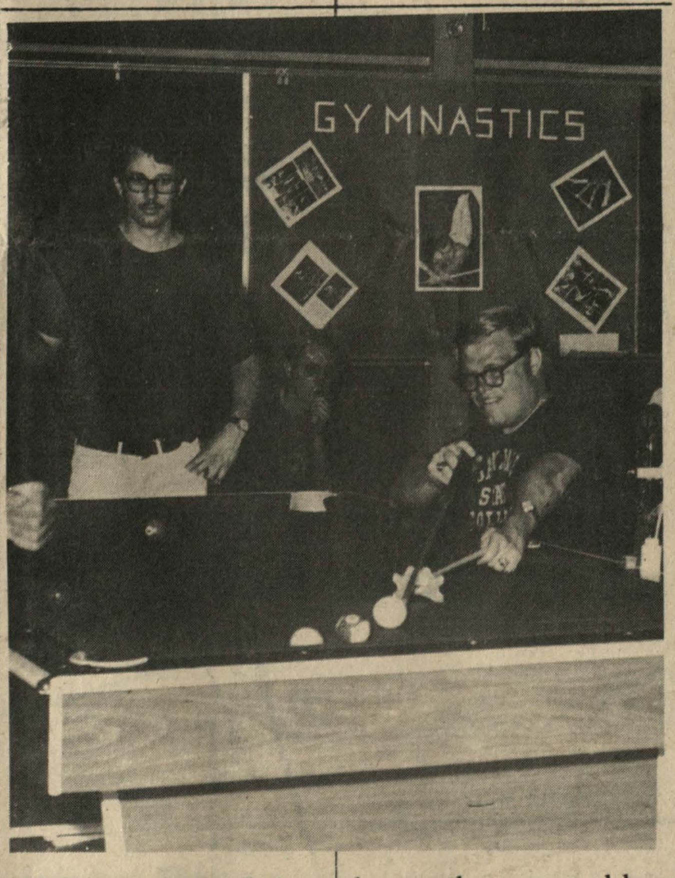
Airman Richard A. Cogliandro, son of Mr. and Mrs. Anthony Cogliandro, 1431 E. Sheffield, Campbell, has graduated at Sheppard AFB, Tex., from the technical training course for U.S. Air Force air passenger specialists.

Airman Cogliandro, who was trained to schedule air passengers and cargo, is being assigned to McChord AFB, Wash.

A 1970 graduate of Del Mar High School, the airman attended West Valley College.

SUB TAKES PREXY

Theodore Roosevelt was the first President to submerge in a submarine.



COMPETES AGAIN---Robert Dunn, 1226 Ridgeley Dr., will be competing this weekend in the fourth annual California Wheelchair Games at Gunn High School in Palo Alto. The games will start Friday evening with basketball. On Saturday beginning at 8 a.m., there'll be basketball, swimming, archery, weightlifting, etc. Participants are coming from Seattle, Portland, Arizona, and all over California. Dunn has competed in the games for the past three years and has scored more points than his competitors each year. He attended the National Wheelchair games in New York and won first place trophies in backstroke, table tennis and 40-yard dash. In 1968 he went to Tel Aviv, Israel for the International Paralympics where he was awarded a gold medal in table tennis and a bronze medal for backstroke and slalom. Dunn is an employee of Bank of America, Cambrian Park.

Sirens in three counties to sound test warning on Friday at 11 a.m.

Over 250 sirens and air horns will warble a test warning Friday (April 30) at 11 a.m. throughout Santa Clara, San Mateo and Alameda Counties as a Civil Defense and disaster exercise.

The sirens and horns will sound for one minute, followed by one minute of silence and then one minute of short blasts or wailing. Arrangements for the tests were made by County Civil Defense Coordinator Frank Holt and the coordinators for the other counties.

In this county the warning signals will be sounded in Campbell, Cupertino, Gilroy, Los Altos Hills, Los Gatos, Milpitas, Monte Sereno, Mountain View, Palo Alto, San Jose, Santa Clara, Saratoga, Sunnyvale, as well as Stanford University, Moffett Field, New Almaden and other County areas.

The test is part of the continuing effort by county and city governments to keep their equipment in readiness in the event of a major disaster, Holt said.

He explained that if the area were in danger from a natural disaster, the sirens would blast for three to five minutes with a steady tone to alert residents. If this occurred, the public should tune in a radio or television set to any local station for information.

If the county was actually under an enemy attack, the sirens or horns would sound wailing tones or short blasts for three to five minutes. Residents should immediately seek shelter in the nearest building marked as a "Fallout Shelter" or the safest location they can find quickly.

LEGAL NOTICE

NOTICE OF INTENTION TO ENGAGE IN THE SALE OF ALCOHOLIC BEVERAGES
TO WHOM IT MAY CONCERN:

Subject to issuance of the license applied for, notice is hereby given that the undersigned proposes to sell alcoholic beverages at the premises, described as follows:

210 The Pruneyard, Campbell

Pursuant to such intention, the undersigned is applying to the Department of Alcoholic Beverage Control for issuance by transfer of an alcoholic beverage license (or licenses) for these premises as follows:

On Sale Beer and wine (Bonafide eating Place)

Anyone desiring to protest the issuance of such license(s) may file a verified protest at any office of the Department of Alcoholic Beverage Control, or by mail to the Department of Alcoholic Beverage Control, 1215 O Street, Sacramento, California 95814, so as to be received within 30 days of the date the proposed premises were first posted, stating grounds for denial as provided by law. The premises are not now licensed for the sale of alcoholic beverages. The form of verification may be obtained from any office of the Department.

Campbell Artist's Guild

Mrs. Alfred (Sarah) Wood member of the Campbell Artist's Guild currently has a one man show of watercolors in the Bank of America, Valley Fair.

Sarah is a graduate of Ohio University and has studied with Jade Fong, Judy Howland and Jane Burham.

She is active in Campbell Artist's Guild and has served as secretary and publicity chairman for two years. The public is invited to see these florals, landscapes and still life during banking hours until May 3.

* * *

Darwyn Patz, a member of the Campbell Artist's Guild, is showing acrylics and oil paintings of seascapes, landscapes and floral at Crocker-Citizens Bank, 1675 West San Carlos Street, San Jose.

Mrs. Patz is a graduate of San Jose College and has studied with Bertha Forgee. She is exhibits chairman for the Guild. These paintings will be on exhibit the month of April and May.

* * *

Alice Cox, a member of Campbell Artist's Guild, Los Gatos Art Association, and a charter member of Petaluma Art Association has a one man show of oils and acrylics in the Americana Room of American Savings & Loan on Lincoln Ave., San Jose.

She has studied with Vera Strickler, Judy Howland, Jane Burham, Harry Dunlap and Mrs. Rodherost in the San Jose and Campbell area.

Alice has sold paintings in Arizona, Michigan and the state of Washington.

The public is invited to see this exhibit of seascapes, florals and still life paintings through the month of May.

* * *

Glen Probst, member of Campbell Artist's Guild is showing oils and acrylics at the Barclays Bank, Winchester and Latimer Aves., Campbell.

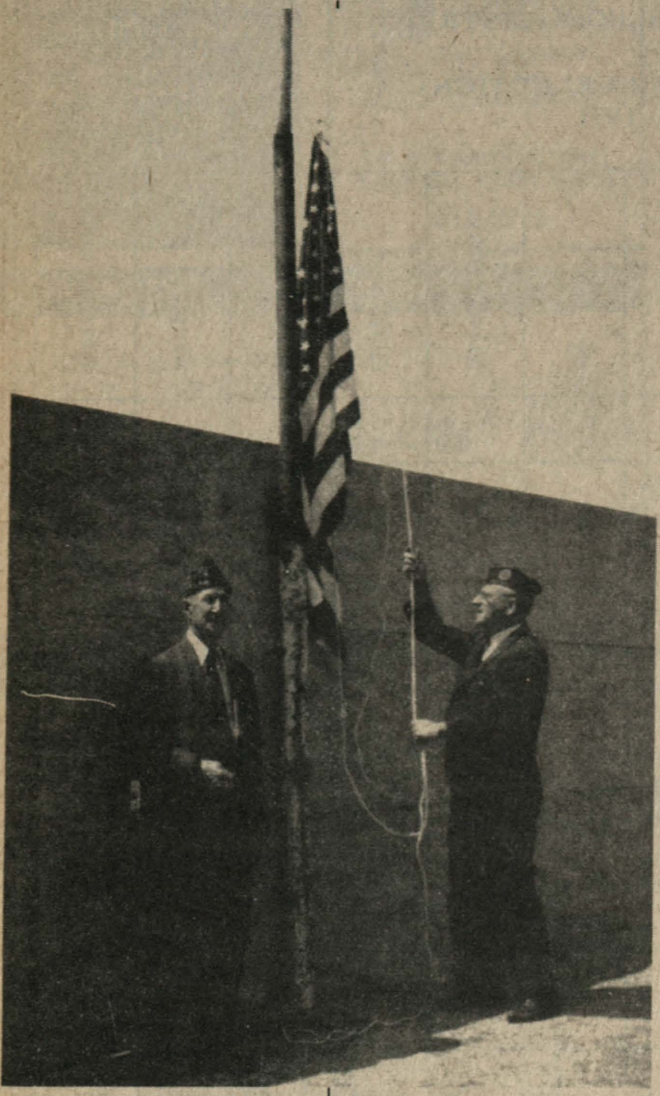
Glen received his art training from Norman Rockwell Famous Artist Course. This exhibit includes trains, Swiss Alps, blue jays, seascapes and owls.

His wife, Helen, is also a painter and member of the Campbell Guild.

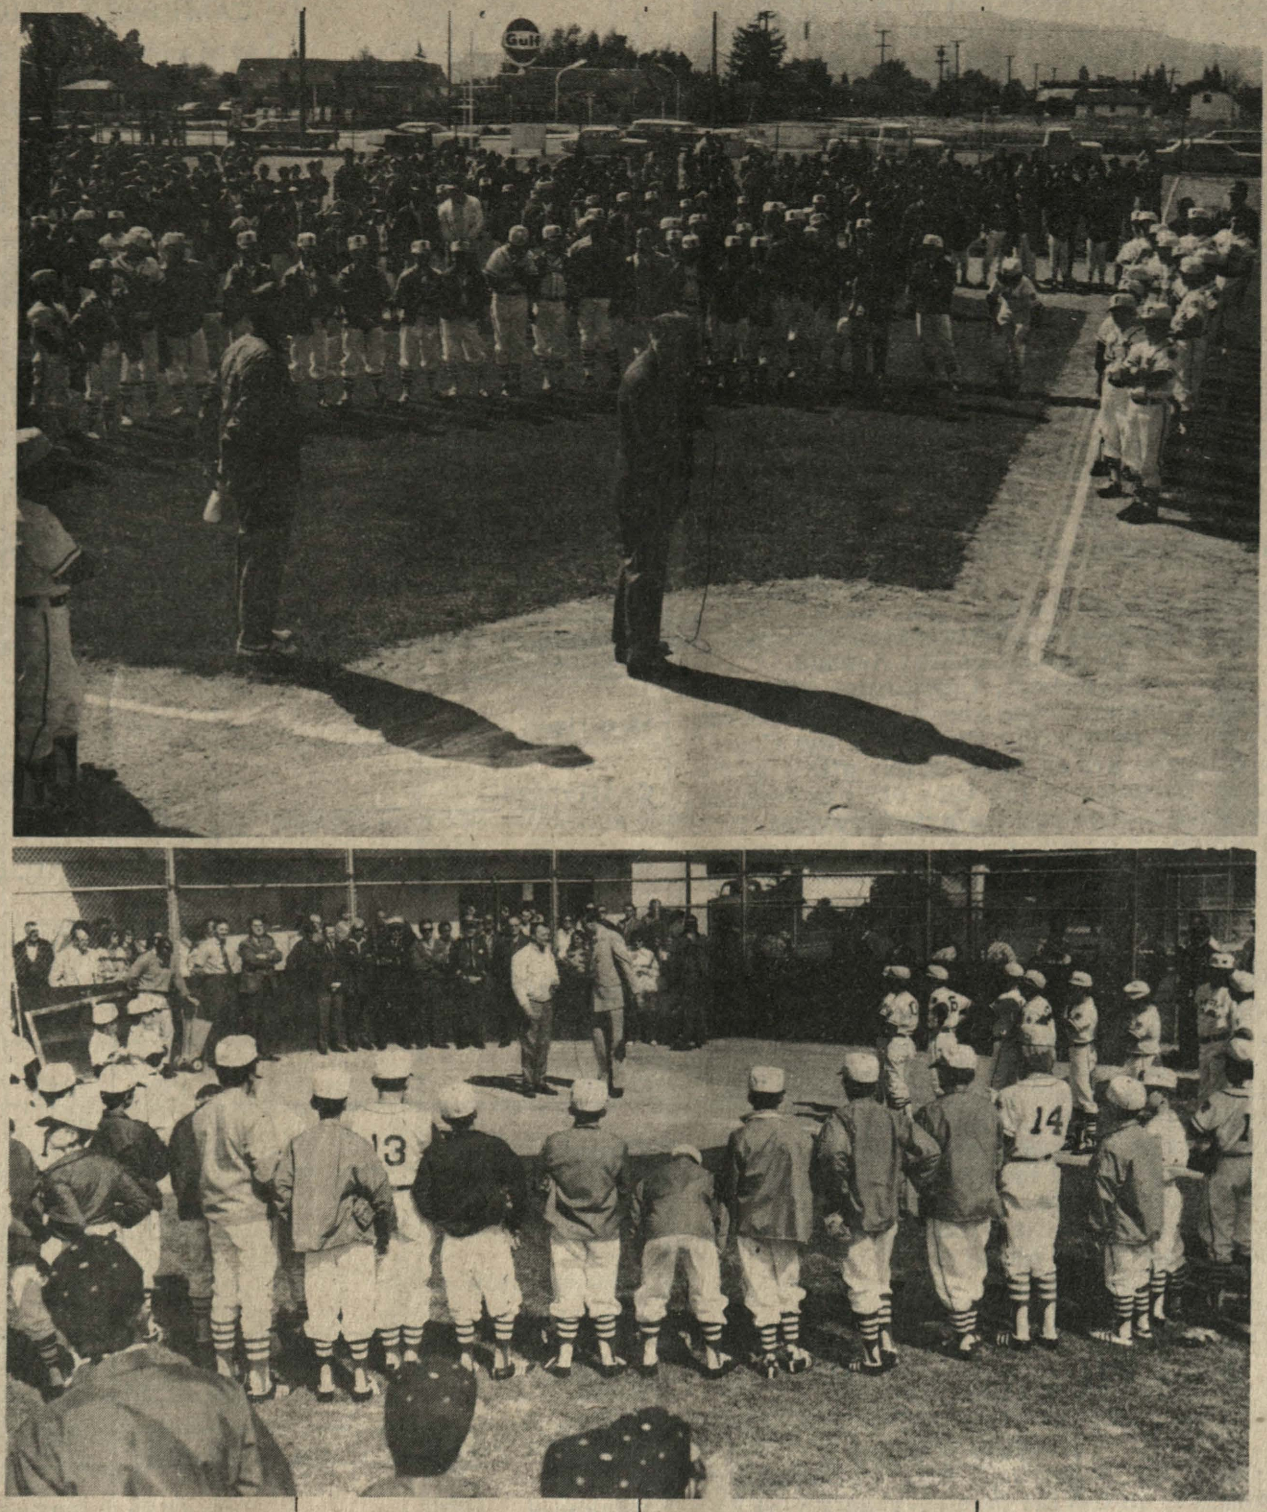
* * *

Mrs. Eleanor Dwyre of San Jose, a member of the Campbell Artist's Guild, has a one man show of landscapes in oil at the First National Bank, Winchester and Budd during April.

Ceremonies mark opening of youth baseball season in Campbell

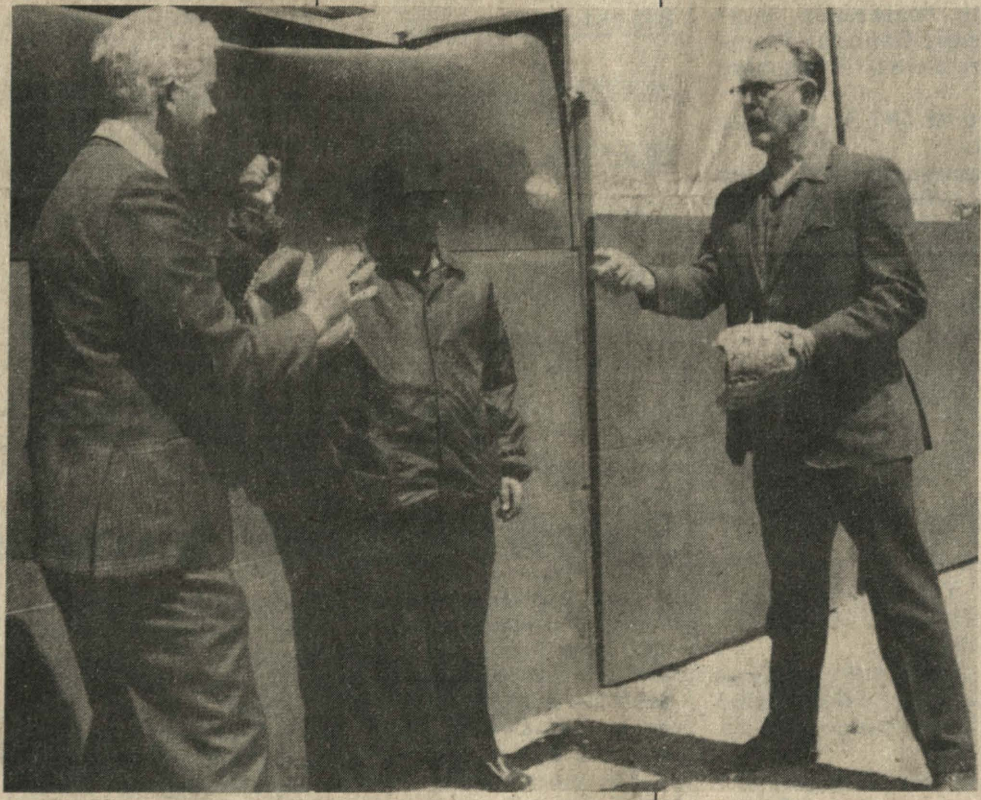


FLAG-RAISING--Marion Nimerick (left) and Milt Ogden, members of the West Valley Post 158, American Legion, raise the flag at the opening of the Pony League at Rincon Park on Saturday.



OPENING DAY--Civic officials participated in the ceremonies last Saturday that opened the 1971 season for Campbell Little League, whose all-stars last year were runners-up for the world championship. In the top photo the Rev. W. H. (Ben) Gould gives the invocation and asks that the games be dedicated to Police Chief John D. Morgan, who suffered a massive stroke on Feb. 13. Chief Morgan was one of the community's greatest boosters for Little League. In other photo, Jim Gilliland, vice-president of the Campbell Union (elementary) School District board of trustees, wishes the league well in 1971.

LETTING IT GO--Mayor Dean Chamberlin tosses out the first ball at the opening of Little League on Saturday.



PRACTICING — Councilman Bill Podgorsek (left) and Mayor Dean Chamberlin warm up prior to tossing out the first ball at the Campbell-Moreland Pony League opener Saturday. They were also the "battery" for the Little League ceremony. It was one of the last official acts for Mayor Chamberlin, who on Monday was succeeded in the mayor's chair by Ralph Doetsch, Sr. Podgorsek was named vice-mayor. In the center is Joe Montemagno, Pony League umpire.

WORLD SERIES

READY TO GO--Pete Cirivilleri (left) and Mike Alvares shake hands before the start of the Pony League season.

FIRE PREVENTION OFFICER--James F. "Jim" McMullen, formerly deputy state fire marshal in San Bernadino, has joined the Campbell Fire Department as fire prevention officer and will be responsible for fire investigation and related work. McMullen, 32, also served in Pasadena and Azusa fire departments. He is a graduate of Los Angeles High School and Mt. San Antonio College. He and his wife and two children are making their home on Westfield Dr.

AARP

The American Association of Retired Persons, Saratoga Chapter, will hold its regular monthly meeting, Friday, April 30, at Richards Hall, Saratoga Federated Church, Saratoga-Los Gatos Road at Oak Place at 10:30 a.m. Members and guests are cordially invited to attend. Guest speaker will be Don Clark, community relations officer of the Santa Clara County Sheriff's Department. Officer Clark will present a motion picture entitled "You're the Prey Night Or Day."

PHARMACY PHACTS

By Allan Blaine

One of the best-known anti-seasickness drugs was first used a number of years ago when a doctor gave it to a woman suffering from hives. It didn't help her hives, but she no longer got motion sickness on her streetcar trip to his office.

* * *

According to several reliable studies, some 70 per cent of the patients seen in a doctor's office have no demonstrable illness.

* * *

A medical investigator in Sheffield, England, reports that excessive weight gain in infancy is a better predicator of obesity in later life than is heredity.

* * *

Moisture is said to be the major cause of deterioration of drugs on the shelf. In other words, keep your powder dry.

* * *

It takes about 3 to 4½ hours for your stomach to digest and empty a meal. Somewhat longer on Easter, Thanksgiving and Christmas.

* * *
